

# 40 Days Family Board Game

As a family, follow along with the "40 Days: Preparing Your Heart for Easter" journal with this family board game. Each week, pick **one** of the 40 day readings to do as a family and listen to **two** Biltmore Kids Podcast episodes! As you complete each step, color in the corresponding game piece. Turn in your completed game board to your campus kids check-in desk to be entered in to win a family prize!
