Trip Info

Vision:

Join us in Thailand as we partner with the International Mission Board on a medical mission where we'll work with long-term missionaries to host a medical clinic for community members. Meeting these physical needs will help provide an opportunity to meet the greater spiritual need of hearing the gospel.

We believe that one day people from every tribe, tongue, and nation will worship God around His throne. Buddhism is the current reigning religion of Thailand, with an estimate of 88.1% of the country following its influence. There are 74 UPG's (Unreached People Groups) in this country. As we see the cultural influence in Asia continue moving towards work-based religion and fear, it is our prayer and desire to see this continent come to know the free gift of saving grace found only in Jesus.

What's Expected:

As a team member joining in on the ministry happening through the IMB. The International Mission Board has developed strategic medical and evangelistic opportunities that Biltmore Church gets to engage in. This includes hosting medical clinics, prayer, and evangelism. Other expectations include:

- **Evangelism / Prayer Walking** - You will have the opportunity to share the Gospel with locals, as you interact with them through medical clinics.
- **Medical Experience** - Medical clinics will be hosted throughout Thailand and offered to locals. It is expected that you have experience working in the medical field as a nurse, doctor, or medical professional.

- **Maintain flexibility** - Scheduled activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.
- **Care** - serving on a short-term mission trip is a great way to serve and care for the team leading Redeemer Queens Park. Offering to cook a meal, watching their children so they can go out, cleaning, game nights, etc., are all great ways to care for our partners on the field.
- **Show Up** - Be present for all pre-trip and post-trip meetings as well as all in-country activities. We want you to make the most of your time as you engage the nations with the hope of the gospel.
